

# HVC-0101-15LL-X

## High Voltage In-Line Connector

### Description

The HVC Series high voltage connector is bayonet style twist lock in-line connector that provides a corona free, sealed interconnect for high voltage applications. Made from rugged plastic, the HVC Series is a compact, lightweight, affordable solution for creating highly reliable high voltage connections.

Wire Length	12 inches	24 inches
LL	12	24

**Voltage Rating:** 15kV  
**Wire Gauge:** 22 AWG  
**Contact Resistance:** 1mΩ - 1.5mΩ

HVM TECHNOLOGY 2967 Oak Run Parkway Ste.515, New Braunfels TX, 78132
